See overleaf for Registration details

## Conference Legacy

Began in the year 1910 as a forum for the Church leadership to offer fellowship, guidance and mentoring to college students. The Mar Thoma Students' Conference retains its semi-structured movement character and continues to mould and challenge the young generation to be daring disciples of Jesus Christ, devoted Church members and dedicated witnesses of the reign of God in different vistas of life. The mission and witness challenge of the conference, embraced by generations of Mar Thomites had shaped many significant moments in the life of the Church and society over the last eleven decades.

## Conference Venue

St. Joseph Pontifical Seminary, Mangalapuzha, Aluva, was started by the Carmelite missionaries. Conveniently located by the National Highway 47 near Aluva, the campus is blessed with a pristine environment where lush green trees, sprawling meadows and plentiful vegetation and a majestic chapel built in gothic architecture, fashion the atmosphere serene and peaceful.

## Conference Highlights

Theme Expositions | Bible Studies | Singing Sessions
